CHURCH

You are a woman of grace.

You are a noble man.

You have a deposit in you from the Lord.

Holy Spirit, blow on these coals God has put there, and cause them to catch fire.

This fire cannot be put out without your agreement.

Come into agree with the prophetic destiny over your life.

You don't have to know it to come into agreement – with God it is always good.

If you don't know your destiny ask God for revelation.

PRESIDENT

Pray President Trump, along with his advisors would continue to be refined, and grow in the knowledge and love of God as they are conformed more to the image of Jesus Christ.

Pray that like Aaron these godly advisors would be able to articulate and communicate well.

RESTING OF AMERICA

Pray for national healing to begin as the people of God discern and restore the biblical principles established in its founding documents.

August 29, 1776

*The effective reverent prayer of a righteous man avails much
James 5:16*

The British invasion began before dawn on Thursday, August 22, almost immediately trapping the Revolutionary Army in Brooklyn across the East River.

On August 29, even though it was a desperate gamble, Washington gave the order to retreat.

Just after nightfall, the weakest of the warriors headed for the ferry with the British ships carrying thirty-two thousand troops close by in the harbor.

Immediately, the weather became an ally, with a strong northeast wind keeping the ships out of the area. When the wind died down, aided by the local fisherman and towns people, the remaining of Washington's Army was able to cross.

Great lengths were taken to move the soldiers through the town. Cloths were wrapped on the wagon wheels to silence the sound of the wheel on the cobblestone as they silently went by the soldiers.

As the sun rose, a large portion of the army still remained trapped in Brooklyn.

But a fog, described to be as thick as velvet, had come in during the night and remained until the last evacuation was completed. ¹

One young soldier wrote:

"In this fearful dilemma Fervent prayers went up all through the night to Him who alone could deliver. As if in answer to those prayers, when the night deepened, a dense fog came rolling in, and settled on land and water...Under cover of this fog...Washington silently withdrew his entire army across to New York."²

When the fog had lifted, the army had disappeared. The rebel army had silently vanished in the night.

America was forged by men and women who believed in fervent prayer.

Thank God for America's Foundation.

MEDIA

Pray God would continue to raise up truth seekers and truth lovers among the media, those watching the media in the United States and throughout the world.
